Announcing 2019 Young Professional Summit Award Honorees

Princeton, NJ – October 15, 2019 - The Princeton Mercer Region Young Professionals will host more than 175 regional young professionals [YPs] at their annual Summit on **Thursday, November 14th**. The event will honor two award categories—the annual Company Choice Award bestowed to **Domain Computer Services** and the YP of the Year Award to **Dolores Kelley** of Stark & Stark.

The fifth annual **Company Choice Award** sponsored by NJM, will be presented to **Domain Computer Services**. The award recognizes an outstanding organization in the Region that excels in their efforts to attract, retain and develop young professionals.

“Domain wouldn’t be who we are today if it wasn’t for the young professionals who have started or built their careers with us over the last 22 years. I can think of no more prestigious award than one which recognizes our culture and its investment in the next generation of leaders in our community. The young professionals at Domain are what make me hopeful for the future. They are among the most generous, kind, wise and motivated colleagues I have ever had the honor to work beside and we are thankful to the Princeton Mercer Regional Chamber for recognizing this,” said Rashaad Bajwa, President & CEO, Domain Computer Services.

The individual **Young Professional of the Year Award**, sponsored by MassMutual Greater Philadelphia, recognizes the accomplishments of one highly motivated, emerging leader from the Chamber's membership, and **Dolores Kelley** of Stark & Stark will be honored in this category. Her leadership throughout the community, various non-profits, and within her organization made her the forefront recipient of this award.

“I am honored to receive the Young Professional of the Year award from the Princeton Mercer Regional Chamber, an outstanding organization that fosters business relationships, and I am grateful for the opportunities that I have been given with the support of my colleagues at Stark & Stark and my fellow Chamber members,” said Ms. Kelley.

“We are pleased to announce these honorees and celebrate their contributions as supporters and cultivators of emerging professionals in the region and beyond,” said Peter Crowley, CEO and President of the Princeton Mercer Regional Chamber.

The Summit will also feature keynote speakers, networking and three breakout sessions from facilitators appearing in this region for the first time. More information and the full list of speakers can be found at www.PrincetonChamber.org/YP.

The Summit will take place at the Conference Center at Mercer County Community College from 8:00 a.m. – 12:30 p.m. on November 14; tickets are \$60 for Chamber members and \$75 for future members. Tickets are available now at www.princetonmercerchamber.org.
