

## **SheTek Presents a Two Day Virtual Conference for Women in Tech *Focus on Continuous Learning and Cybersecurity to Boost Your Career***

**(Princeton, New Jersey – July 10, 2020)** – [SheTek](#), an initiative of [PamTen](#), Inc., is putting the final touches on a free, two day video conference taking on July 23 and July 30 from 11 AM to 2 PM EDT. The Virtual Conference will benefit personal and career development, specifically focusing on the opportunities for continuous learning in a time of pandemic and beyond. The second session will center on Cybersecurity, its importance in business and life, job openings, and career paths in this booming segment.

**Session 1 - July 23: *Continued Learning for Tech Careers and Beyond***, will dig into how continued learning can benefit you – and how you can take advantage of learning to boost your career in unexpected ways.

*Judith Sheft*, Executive Director of the New Jersey Commission on Science, Innovation and Technology, will moderate this SheTek-exclusive event. Joining Judith will be *Gale Tenen Spak*, President at Build Their Future LLC and retired Associate Vice President of Continuing & Distance Education at NJIT, and *Katherine Kish*, Executive Director at Einstein's Alley.

To register for Continued Learning for Tech Careers and Beyond on July 23 from 11 AM – 2 PM EDT: <http://bit.ly/SheTekVC1>

**Session 2 – July 30: *Everything You Need to Know about a Cybersecurity Career*** features a Cybersecurity Panel uniquely designed to give all attendees a window into the life of a Cybersecurity professional. Moderating our panel will be *John Mendes*, Vice President Cybersecurity at PamTen Inc. John's work securing PamTen's clients from cyber attacks and hacking makes him particularly suited to lead the Cybersecurity conversation. During the panel, John will be joined by *Sydney Klein*, Chief Information Security Officer at Bristol Myers Squibb, *Prasad Tenjerla*, Co-Founder and COO of PamTen Inc., and *Jessica Robinson*, CEO of PurePoint International and Ambassador at Consciously Secure Living. This broad swath of Cybersecurity experts will answer any questions you may have about your potential future in this exciting and booming career.

To register for Everything You Need to Know About a Cybersecurity Career Virtual Conference Panel on July 30 from 11 AM – 2 PM EDT: <http://bit.ly/SheTekVC2>

Each session will also include a variety of breakout rooms that will include personal development, relaxation techniques, networking opportunities, and more. These rooms tie into the various main sessions, offering unique options for attendees.

Guests can register for both sessions, and individual sessions. Stay tuned to the SheTek website and community for details as they become finalized.

The SheTek Virtual Conference is sponsored by PamTen. Additional sponsorship opportunities are still available. Reach out to [contact@shetek.net](mailto:contact@shetek.net) for more information. Visit: [www.shetek.net](http://www.shetek.net) or on social @shetekglobal.
